WITH WORKSTYLE

Your Agent Connections with Customers

Define Their Experience of Your Brand

Personality connections drive better emotional experiences for customers, and emotion drives loyalty. That makes it a **\$6 trillion** enterprise opportunity.

YOUR TOTAL LOSSES PER HIRE

\$8,250.00

x20,000 Agents

A MASSIVE OPPORTUNITY

A combination of new hire performance ramp up and general agent inability to connect with all personality styles is large loss driver. Workstyle shrinks the time between hire date and full output, and teaches ALL of your agents to naturally & easily connect with every customer, every time.

Personality matters.

Improve your agent performance by teaching

them to connect better with Workstyle.
